

Worldwide Delivery

EKMAR YACHTING Management will take every care in every step of your purchasing progress.

We will take the time to pay attention to every little detail to ensure a smooth and trouble free delivery to port or marina in the world.

Over the years our profesional skippers have taken yachts all over the world, culminating in millions of miles of experience in an amazingly wide range of vessels.

Our delivery teams are highly experienced, highly qualified and take a professional pride in their work.

Please do not hesitate to contact us for more information.
